BetterPhoto.com[®] Offers **Another New Course for December!**

"Stock Photography Boot Camp"

Class Begins December 6th

REDMOND, Washington – December 6, 2006 – BetterPhoto.com, the worldwide leader in online photography education, today announced the addition of a new 4-Week class to the December course schedule: *Stock Photography Boot Camp*. Like all BetterPhoto courses, this course will be taught by a published, professional photographer. Photo assignments are personally critiqued by the instructor, giving students immediate feedback on their photographic work. December classes begin today and there is still time to enroll.

"We are delighted to complete our December course schedule with *Stock Photography Boot Camp*," said Jim Miotke, President and founder of BetterPhoto, com. "Stock photography has always been popular and this course covers the whole territory in a very fun and exciting way.

Scott Stulberg's comprehensive new stock photography course explains the dos and don'ts of creating powerful stock photos – from learning what images sell the best to finding and working with models. Clearly this is another winning class from Scott, a seasoned, professional photographer and instructor.
