BetterPhoto.com® Announces 3rd Annual BetterPhoto Conference September 29th and 30th 2007

"An Intense, Inspiring and Fun Weekend!"

REDMOND, Washington – March 26, 2007 – BetterPhoto.com, the worldwide leader in online photography education, today announces its [Annual Photography Conference](#) to be held in Chicago at the end of September. Many of BetterPhoto's veteran, professional photography instructors will be on hand to inspire and impart their knowledge of all facets of photography. The conference will be held at the beautiful Westin O'Hare Hotel. Those who register early will receive a discount!

"As preparations for the conference begin to take shape, we are all getting very excited!" said Jim Miotke, President and founder of BetterPhoto, com. "This year's location and some great surprises will make this a very special conference, indeed. We hope many of our dedicated students and their friends will join us for the fun!"

BetterPhoto brings together over 150,000 members from around the world for learning, fun, and community. The site offers over [100 courses](#) on photography and Photoshop, taught by scores of published, professional photographers including Tony Sweet, Brenda Tharp, Jim Zuckerman, and *Shutterbug* editor George Schaub. Courses are offered every month. Sign up today to get your photos thoughtfully and promptly reviewed by professionals. The monthly BetterPhoto.com contest, considered the best on the web, brings in over 25,000 entries monthly, and awards winners in 10 categories.

About BetterPhoto.com

BetterPhoto.com is the worldwide leader in online photography education, offering an approachable resource for photographers who want to improve their skills, share their photos, and learn more about the art and technique of photography. Headquartered in Redmond, WA, BetterPhoto.com is a fun, approachable community, offering online photography courses led by highly respected and published professional photographers, who act as mentors. BetterPhoto also offers a range of gallery and web hosting options that are easy to use and powerfully customizable, and offers a rich community experience and the best photo contests on the web.
