BetterPhoto.com[®] Welcomes New Instructor, Kevin Moss

"Photoshop and Elements for Nature Photographers"

Course begins April 4th

REDMOND, Washington – March 30, 2007 – BetterPhoto.com, the worldwide leader in online photography education, today announced that professional photographer and author, Kevin Moss, has joined BetterPhoto.com's amazing team of instructors. Kevin's 4-week short course, *Photoshop and Elements for Nature Photographers*, starts April 7th.

"We are thrilled to have Kevin Moss on our team," said Jim Miotke, President and founder of BetterPhoto, com. "His expertise in landscape and nature photography makes him perfect for teaching our students how Photoshop and Elements can make their nature photos pop!"

Moss, author of *Photoshop CS2 and Digital Photography for Dummies*, *50 Fast Digital Camera Techniques Revision 2* and *Nature Photography and Photoshop*, began his adventure into photography more than 30 years ago while a high school student. While focusing mainly on nature photography through the years, Kevin's photography talents also include fine art portraiture, abstract photography and urban scenes. His 4-week course, *Photoshop and Element for Nature Photographers*, will focus on composing images and making color and tonal corrections, as well as covering various camera settings and editing techniques.
