BetterPhoto.com® Offers New Course!

"Lightroom – A Comprehensive Look" begins May 2nd

REDMOND, Washington – April 26, 2007 – BetterPhoto.com, the worldwide leader in online photography education, today announced the addition of a terrific new 4-Week class, *Lightroom - A Comprehensive Look*, to the May course schedule. Like all BetterPhoto courses, this course will be taught by a published, professional photographer, Lewis Kemper. Photo assignments for BetterPhoto's [digital photography](#) courses are personally critiqued by the instructor, giving students immediate feedback on their images. May classes begin Wednesday, May 2nd.

"Students have been asking for a Lightroom course, and we are so pleased that Lewis, one of our veteran photography instructors, has created this new class!" said Jim Miotke, President and founder of BetterPhoto.com. "It's wonderful to be able to respond quickly to our students' desire to [learn photography](#) and the software programs, like Lightroom, that help to enhance their photos."

Contributing editor of *Outdoor Photographer* and *PC Photo* magazines, Lewis Kemper is considered one of the most influential photographers in the country. His new 4-Week course, *Lightroom – A Comprehensive Look*, will guide students through all the modules, preferences and menus of [Lightroom](#) so they can choose which tools to use for their images.
