## **BetterPhoto.com® Announces**

### *New Segment for BetterPhoto Radio!*

REDMOND, Washington – May 10, 2007 – BetterPhoto.com, the worldwide leader in online photography education, today announces a new segment on the popular BetterPhoto Radio show featuring members of the BetterPhoto community. Hosted by Jim Miotke, the radio program introduces valuable [digital photography techniques](#) for taking perfect pictures. Starting this month, in addition to including one of our professional photography instructors, each show will feature an interview of a member sharing his or her passion for photography with our listeners. Tune in and be inspired by genuine individuals learning photography just like you.

“We are so delighted that so many turn to the BetterPhoto community for creative ideas, fun, and photography education. Our online [digital photography school](#) has something for every photography fan from the novice to advanced photographers!” said Jim Miotke, President and founder of BetterPhoto.com. “And a warm sense of community being a #1 priority for the BetterPhoto team, we hope visitors enjoy what we have planned for the new and improved BetterPhoto Radio show.”

The show airs every Friday from 1:00 pm to 2:00 pm Pacific Time and listeners have an opportunity to email us questions before the show. To learn more or listen to archived programs visit [www.betterphoto.com/radio](http://www.betterphoto.com/radio).

BetterPhoto brings together over 150,000 members from around the world for learning, fun, and community. The site offers over 100 courses on photography and Photoshop, taught by scores of published, [professional photographers](#) including Tony Sweet, Brenda Tharp, Jim Zuckerman, and *Shutterbug* editor George Schaub. Courses are offered every month. Sign up today to get your photos thoughtfully and promptly reviewed by professionals. Additionally, BetterPhoto.com offers four great options for [photo sharing](#). These beautiful websites have several sleek design choices and many other unique options.
