BetterPhoto.com® Offers Excellent Business Courses!

"Making Money with your Photography" and "Portfolio Development"

REDMOND, Washington – May 25, 2007 – BetterPhoto.com, the worldwide leader in online photography education, today highlights two outstanding 8-Week business courses. In the BetterPhoto tradition, these courses are taught by published professional photographers who are veterans in the field. Photo assignments for BetterPhoto's [digital photography](#) courses are personally critiqued by the instructor, giving students immediate feedback on their images. The next 8-Week course session begins July 4th.

"BetterPhoto is in the business of making dreams a reality and many of our photography students have progressed in their [photography training](#) to the point of seeing their hopes of becoming professionals fulfilled!" said Jim Miotke, President and founder of BetterPhoto.com. "We are extremely proud of our top-notch business courses. We always receive terrific feedback about the quality of the instruction."

Jim Zuckerman, author of 12 books, has images published throughout the world. His successful approach to selling photography is outlined simply but in perfect detail in his course, *Making Money with Your Photography*. William Neill's course, *Portfolio Development*, covers the art of editing images and creating an attractive, thematic portfolio. Bill, a master of [nature photography](#), has had his work displayed in the Museum of Fine Art in Boston and the Santa Barbara Museum of Art among

others, and has received numerous awards such as the Sierra Club's Ansel Adams Award.

BetterPhoto brings together over 150,000 members from around the world for learning, fun, and community. The site offers over 100 courses on photography and Photoshop, taught by scores of published, [professional photographers](#) including Tony Sweet, Brenda Tharp, Jim Zuckerman, and *Shutterbug* editor George Schaub. Additionally, BetterPhoto.com offers four great options for [photo sharing](#). These beautiful websites have several sleek design choices and many other unique options.
