BetterPhoto.com[®] Offers Two New Classes for September!

REDMOND, Washington – August 21, 2007 – BetterPhoto.com, the worldwide leader in online photography education, today announced the addition of two sensational new 4-Week classes to the September course schedule. Like all BetterPhoto courses, *Learning Your Canon Digital SLR* and *Photoshop for Nature Photographers, Part 2*, will be taught by published, professional photographers. Photo assignments are personally critiqued by the instructor, giving students immediate feedback on their photography. Classes begin September 5th.

“We’re thrilled about Jim White’s new camera course on the Canon SLRs. He’s put together lessons that get right to the basics and will help anyone starting out with their first digital single lens reflex camera. And Ellen’s new ‘Part 2’ course is great for the thousands of nature photographers in our midst,” said Jim Miotke, President and founder of BetterPhoto.com. “These two awesome classes are great additions to our fall schedule.”
