BetterPhoto.com[®] Announces Newly Designed Courses-by-Skill Pages

REDMOND, Washington – September 18, 2007 – BetterPhoto.com, the worldwide leader in online photography education, today announced fresh, new design improvements for the pages which guide prospective students to the perfect [photography course](#) for their skill level. For those unsure of the next step in their photography education, there are great choices for beginning, serious hobbyist, intermediate and advanced photography pupils.

“Our new courses-by-skill pages pop with color and feature insightful questions to direct you to the correct ability level. Students can easily navigate to the information they need with these refashioned, attractive pages,” said Jim Miotke, President and founder of BetterPhoto.com. “We are so grateful for all of the ongoing new developments which make us the #1 [online photography school](#).”

BetterPhoto brings together over 150,000 members from around the world for learning, fun, and community. The site offers over 100 [courses on photography](#) and Photoshop, taught by scores of published, [professional photographers](#) including Tony Sweet, Brenda Tharp, Jim Zuckerman, and *Shutterbug* editor George Schaub. Courses are offered every month. Sign up today to get your photos thoughtfully and promptly reviewed by professionals. The monthly BetterPhoto.com contest, considered the best on the web, brings in over 25,000 entries monthly, and awards winners in 10 categories.
